Application Information

The Women with Promise Scholarship Program began in 2018 as part of our commitment to women in Dallas and Collin counties on their journey to expand their education. Advancing in education allows women to effectively support themselves and their family, instills a sense of pride and accomplishment and sets a foundation for educating future generations.

Our funds target women who face significant financial and personal challenges and barriers. Support is available for full and part-time students to assist with tuition, books and associated fees. Scholarships are awarded based on need, number of sponsors and donations received.

All information contained in this application will be considered confidential. The Women with Promise Scholarship Program does not discriminate in its selection process on the basis of race, color, creed, disability, national/ethnic origin, age, religion, sexual orientation or disabled veteran/Vietnam era veteran status.
